Federation of Fly Fishers

Meeting ~ Tuesday, February 15, 7:00 pm
Camp Dakani (1/2 mile west of I-35 on Hefner)

GUESTS ARE ALWAYS WELCOME

Our regular meeting will be held at Camp Dakani on the third Tuesday in February. Phil Coventon will give us an overview of the upcoming fly rod building class and an opportunity to join the group. Wayne Anderson will present information from the Federation of Fly Fishers, and we will discuss a possible late winter outing to one of Oklahoma's trout areas.

A Special Invitation is extended to all Prairie Fly Fishers to meet with the Trout Unlimited Chapter on **TUESDAY, FEBRUARY 8 AT THE SPORTSMAN'S CLUB**. Several members of the Tulsa TU Chapter will present a program on a recent rafting and fly fishing trip to Alaska. The meeting will begin at 7:00 pm, and the Sportsman's is located on NW 39th Expressway just west of Portland. Join us for a joint meeting of the various organizations here in Oklahoma that enjoy fly fishing for trout.

Fly Tying Club

Tuesday February 22, at 7:00 pm
Backwoods (122nd St. at N. May)

Our fly tying group will expand its horizons this month into rod building. Ken Meyers will show us how to build a Banty Rod. Now what is that, you ask? As I understand it, this is how you can take an old three piece rod and make a short two piece rod for use on small streams. This should be an interesting meeting so join the fly tying group (aka sometimes rod builders) this month at Backwoods.
