Federation of Fly Fishers

Meeting ~ Tuesday, September 19, 7:00 pm
Camp Dakani (1/2 mile west of I-35 on Hefner)

GUESTS ARE ALWAYS WELCOME

Welcome back after the summer break. Hope everyone had a chance to do some fishing and visit some great places this summer. Please bring some pictures to the meeting and plan to tell us about your adventures or other tall fishing tales.

Election of officers will be held at our first meeting this month. The slate of nominees include: Phil Coventon for President; Jerry Walker for Vice President; and Steve Wiley for Secretary –Treasurer. If you would like to run for office or want to nominate anyone for these offices please contact Wayne Anderson at 751-0931. You can also make nominations from the floor at the meeting.

We will also continue our discussion from the last meeting regarding affiliation with the Federation of Fly Fishers. They have increased the minimum amount of money required from local clubs, and we need to decide if we want to continue our affiliation with them.

Continuing our website also will be discussed. This costs about \$150 per year, and there are some questions if the website is being utilized and worth this expense.

Fly Tying Club ~ Tuesday, September 26, at 7:00 pm
Backwoods (122nd St. at N. May)

Another season of fly tying is here. Once again Tom Adams will host the fly tying group, which meets at Backwoods the fourth Tuesday of each month. Tom's been doing this now for several years, and we owe him many thanks for his dedication to fly tying instruction. This month we'll tie the "Rainbow Warrior"-- a bead head nymph that's both colorful and effective. Join the group this month for some fly tying fun at Backwoods. If you don't have tying equipment you can borrow it from Tom.
