

NEWSLETTER PRAIRIE FLY FISHERS MARCH 2009

www.prairieflyfishers.org

Federation of Fly Fishers

Meeting ~ Tuesday, March 17, 7:00 pm
AT BACKWOODS THIS MONTH (122 St. & N. May)

GUESTS ARE ALWAYS WELCOME

Tales (or Tails?) from Tanneycomo is the subject of this month's program. Tom Adams, Phil Kennon and some other hardy fly fishers made a recent wintertime trip to Branson, Missouri to fish the White River tailwater below Lake Tanneycomo. Tom asks the brave souls who went on the trip to email him some pictures for the program at gmanagerokc@backwoods.com.

Many thanks to Mike Veasey and Phil Coventon for their most enjoyable presentation and slide show in January. They shared some of their adventures last summer on a week long float trip down the remote Aniak River in southwest Alaska.

Fly Tying Club ~ Tuesday, March 24, 7:00 pm
Backwoods (122nd St. at N. May)

The fly for the month is the venerable GOLD RIBBED HARE'S EAR. This is a classic fly and one that many of us first learned when we started tying flies. It has many colors and variations – bead head, flashback, rubber legs, etc. It's also a proven fly for catching fish in streams and lakes. Join the group at Backwoods this month for an evening of fly tying.

NOTES:

- Your \$25 annual dues were due in January as we've changed the fiscal year to match the calendar year. Make checks to Prairie Fly Fishers and send to Steve Wylie, 1909 Faircloud, Edmond, 73034; or take them to Tom Adams at Backwoods; or bring your money to the meeting.
- Bob Williams and Glen Byrd had a very successful "business" trip to Broken Bow in February. Glen landed a 22-inch Rainbow from Spillway Creek using a 2 wt. rod and a #18 Prince Nymph. Several fish exceeding 16 inches were taken up and down Spillway Creek.
