Federation of Fly Fishers

Meeting ~ Tuesday, January 19, 7:00 pm  
Camp Dakani (1/2 mile west of I-35 on Hefner)

GUESTS ARE ALWAYS WELCOME

**Welcome to a new year and new decade of fly fishing. The Prairie Fly Fishers are planning lots of programs and activities for the coming year.**

The meeting this month will feature Bob Williams' presentation on his Alaska fishing trip last summer. Bob and his son, Wade, did an 8-day wilderness float trip on the Kisaralik River in southwest Alaska. They'll have many interesting pictures and stories of the fish, scenery and adventures they encountered. If you're planning or interested in a trip to Alaska you won't want to miss this informative program about fly fishing in the one of the last, great places on earth.

Fly Tying Club ~ Tuesday, January 26, 7:00 pm  
Backwoods (122<sup>nd</sup> St. at N. May)

This month's fly is the classic Tellico Nymph. It was developed in the Tellico Lake region of Tennessee and is a good all round attractor imitating mayflies, caddis and stoneflies. It is also good for pan fish. Join the group at Backwoods for an evening of fly tying. Equipment is available if you don't have your own.

## NOTES:

1. Your \$25 annual dues are due in January. Make checks to Prairie Fly Fishers and send to Steve Wylie, 1909 Faircloud, Edmond, 73034; or take them to Tom Adams at Backwoods; or bring your money to the meeting.
2. The Prairie Fly Fishers and several TU guests enjoyed a Holiday Party at Quail Creek Country Club in December. In addition to good food and drink, we enjoyed many pictures submitted by members recalling various fishing trips from past years. President Tom Adams presented plaques to Steve Wylie and Bob Williams recognizing their many years of service to the club. See more party pictures on the next page including one of our new Prairie Fly Fishers cap.
