Federation of Fly Fishers

Meeting ~ Tuesday, March 16, 7:00 pm

GUESTS ARE ALWAYS WELCOME

Camp DaKaNi (3309 E. Hefner Rd - between Bryant & I-35)

**Our meeting this month will be an eclectic mix. We'll have knot tying instructions and contests (with prizes) for the best knots. We'll also have a swap meet. If you have any priceless fly fishing paraphernalia you want to swap for some equally valuable stuff that someone else has, bring it to the meeting this month and see if you can make a trade.**

**Thanks to Fred Stanley for his outstanding program last month on fly fishing in Argentina. His beautiful pictures and stories were much appreciated.**

Fly Tying Club ~ Tuesday, March 23, 7:00 pm

Backwoods (122<sup>nd</sup> St. at N. May)

**Get ready for spring at fly tying this month with the Cypert's Minnow. This fly was developed by Texas guide, Charlie Cypert. It is a very effective streamer pattern for sand bass, as well as large and smallmouth bass and usually tied size #8.**

**Buy the way did you ever wonder where Tom Adams gets all that Elk Hair he has at Backwoods? Well look no further. I hope this is a legal parking lot transaction recently caught on my secret iPhone.**

## NOTES:

1. Your \$25 annual dues were due in January. Make checks to Prairie Fly Fishers and send to Steve Wylie, 1909 Faircloud, Edmond, 73034; or take them to Tom Adams at Backwoods; or bring your money to the meeting.
2. The new Prairie Fly Fishers caps proved to be quite a success. Most were sold at the last meeting and more have been ordered. Don't be seen on the river without yours.
